Dear Valued Amrod Client

With our notebook category now one of our largest and fastest growing categories, we're excited to launch an additional branding method to our comprehensive notebook branding options.

We are now able to offer you a belly band as perfect way to add a finishing touch to the notebook your client has ordered.

Great for conferences, promotional events and exhibitions, this unique and creative branding option is sure to create a buzz.

Because our belly bands are digitally printed, full colour artwork is extremely effective as you can see from the images above.

These belly bands are priced based on the notebook size, namely A6, A5 or A4, as per below pricing matrix. Price includes Amrod placing the belly band around the notebook you have ordered.
